FAQ

This FAQ will provide some information on what you can expect as an even runner at Hibanacon.

Will I have chance to rehearse my skit / practice my walk-on?

Yes: we hold rehearsals on Saturday morning rehearsing skits first-thing, and walk-ons a little later. Exact times of the rehearsals will depend on the number of applicants and will be announced close to the convention date.

Do I have to attend the rehearsal?

Yes: this is the only opportunity we have to run through the performance with your chosen music, lighting, etc. before the masquerade. If you do not attend the rehearsal we will regrettably have to remove you from the show.

Where do I have to go for the rehearsal?

Event 1, which is the main stage for Hibanacon.

Where do I go to wait for my turn in the Masquerade?

Event 4 is designated as our Green Room for the masquerade.

When should I get to the Green Room?

Please arrive no later than 20 minutes before the masquerade.

What is in the Green Room?

The chairs will be around the edge of the room to allow easy access to seating and clear space to make your way to the stage. We also provide water to make sure you stay hydrated.

Can I leave X in the Green Room during my performance?

You are welcome to leave your bag, etc. in the Green Room but this will be entirely at your own risk; neither Hibanacon nor DCNW LTD will accept responsibility for items lost, damaged, stolen, etc.

Is the Masquerade judged?

We do not judge the costumes that appear at Hibanacon, we run our masquerade for-fun, as a platform for you to show off your creative side and wow your friends and fellow fans.
